# What is Reining?

Reining is a judged event designed to show the athletic ability of a ranch type horse within the confines of a show arena. In NRHA Competition, contestants are required to run a pre-selected, approved pattern, included in the NRHA Handbook.

Each pattern includes small slow circles, large fast circles, flying lead changes, roll backs over the hocks, 360-degree spins done in place, and exciting sliding stops that are the hallmark of the reining horse.
